Looking Back At Last Week:

Mike Green, Howard Lee, and Ashley Smith were guests at the microphone, serving as the voices of the Conway Tigers on Friday evening. Mike Green, also known as the golden voice of the Tigers recently retired and reported to have called 556 games during his career. He joked that his family was proud that he was away that much.

As a tribute to Mike, the press box at Conway High School is now named the Mike Green Press Box. Mike was very appreciative for this tribute to him and his efforts as broadcaster.

Howard Lee, also a cornerstone in the program will be retiring this year. He and Mike has a rich history together and have had a lot of fun and seen a lot of sports history throughout their tenure of service.

With these two gentlemen retiring, Ashley Smith will be taking the mike to report the games. Ashley has had the privilege of working with these two guys for six years and shared that he had learned a great deal from them. He is very appreciative for this opportunity and has high regards for what they have done.

Best of luck to each of these Tiger fans and we appreciate Cole Smith scheduling this program. Great job!

Don't judge each day by the harvest you reap but by the seeds that you plant.
– Robert Lewis Stevenson
